High school students are invited to attend the Elizabethtown College Social and Civic Leadership Academy. The overnight program takes place on the College's beautiful 204-acre campus where students will participate in workshops and activities focused on strengthening their advocacy, social justice, and leadership skills. This experience presents student leaders with challenging academic questions and real-world situations led by faculty experts. Students will also get to explore the opportunities and resources provided by a college education.

What's Included:

OVERNIGHT LODGING

MEALS

ACCESS TO ALL SESSIONS

Transportation to and from campus must be provided.
